I do not see it in the Finder. How do I find it? A: Finder's window shows you folders/files in the "Recently used" list (from the bottom). The default view is "All" so that the list is narrow, but you can change to "Detailed" for a much wider view. To see a list of all the folders/files in Finder, just open a Finder window and click on the "Go" button (third icon from the left on the toolbar). When you click on the folder "a" you should see it in the list. Rep.
